INTRODUCTION and BACKGROUNG

Target Audience – Tourists and Local Travelers

Sri Lanka is one of the most attractive islands in the world. There are 25 districts, and the most populated districts are Colombo and Gampaha. Every district has beautiful places visit and see, therefore the tourism of Sri Lanka is in very high place.
Tourists or local travelers facing challenges to find best please to have meals with good taste and quality. Most of the time, before they visit to those places, they consider about their meals. Restaurants types also consider as a factor.

Thus, the goal I want to achieve with this project is to recommend to tourists visiting Sri Lanka or local travelers about restaurants. They can find answers to "Where to eat Seafood, Vegetarian food?", "In the district, I am visiting which type of restaurants presents?".
